Observations

We have entitled this work "El reflejo craneano", in the belief that this is the picture Dalí presented as number 6 in the exhibition organized by La Gaceta de Arte at the Ateneo de Santa Cruz de Tenerife from 11 to 21 May 1935. This supposition is confirmed by the article by Domingo López Torres published in La Tarde on 17 May 1935, which give an accurate description of the work.
